

Iowa Girls High School Soccer Rising All-Star Classic - June 19

Powered By Top Student Athlete Recruiting

Congratulations on a great high school soccer season and being honored as a top underclassmen player in the state of Iowa this year.

The Iowa Girls High School Soccer Rising All-Star Classic on June 19 at Mt Mercy University in Cedar Rapids is a chance to celebrate the best young high school soccer players (non-seniors) in Iowa award and provide college exposure for our top players. This event is reserved for players earning All-State or All-Conference awards in 2024 or earlier in their career and will be attended by college coaches from all collegiate divisions. College coaches want to see the best against the best and this is a great opportunity for our Iowa players to showcase their talents in their pursuit of playing college soccer and to be recognized for their achievements on the field. This will be THE BEST recruiting event in the state of Iowa.

We understand not all the best players or those capable of playing in college receive high school honors. With our goal to keep this event for top players only, if you have not been honored with All State or All Conference awards in your career and want to be considered, you can register but will need an approved coach recommendation letter ([link](#)). TSA Recruiting will communicate any of these acceptances.

Registration opens on Monday, May 27 at 8:00 am and will remain open until filled. We do expect the event to fill-up and slots will be awarded on a first come, first serve basis, so early registration is encouraged.

- Location allows access for players from the entire state to be able to attend and provides a central location for college coaches from Iowa and surrounding states to easily attend
- *As of April 2024, IAHSAA / IGHSAU and Iowa Board of Ed Rules now allow All-Star games for underclassmen and eligibility for future years of high school is not affected.
